

Attend GPCE Sydney for free

The team at GPCE are excited to welcome GPs and primary healthcare professionals to the International Convention Centre Sydney in May as we showcase a new program of independent CPD education.

As one of RACGP's major providers, all program content is designed to meet the colleges' high standards, with plenty of sessions to choose from.

Don't miss this opportunity to attend GPCE Sydney on a **free pass valued at up to \$397**.

Attend on a free 1, 2 or 3 day Clinical Sessions Pass, which gives you access to:

- Unlock up to 20+ CPD hours
- Up to 3 days of CPD education
- 15 1-hour Education Sessions
- Daily Keynote sessions
- Access to 120+ exhibitors
- Morning tea, afternoon tea and lunch
- CPD certificate*
- Speaker notes**

*Upon completion of the evaluation through Delegate Hub

**Where speaker permits distribution

You can register for your
free Clinical Sessions Pass
